

## Annual Early Childhood Dad's Day at Wichita Collegiate School

Friday, September 18, was a great afternoon in the Early Childhood division of Wichita Collegiate School as we celebrated our annual Dad's Day. Dads, or other special guests, arrived at school at noon to eat lunch with their child and spend the afternoon attending special activities that centered around our "Pirate" theme.

As usual, the gymnasium was very busy. Children and special guests enjoyed climbing rope, riding scooters, playing catch, riding the hippity hops, throwing Frisbees, tapping balloons, walking the balance beam, and many more activities.

You will find a few pictures of our activities on this document. **To view more photos, please click on the Picasa link below:**
