

## Students and Dads Enjoy a Special Day at School

On Friday, September 21, the Early Childhood department hosted “Dad’s Day.” The campus was filled with fathers, or other special friends, who enjoyed many exciting events including “Open Gym.” The gymnasium hosted children and dads climbing rope, shooting baskets, riding scooters, playing balloon tennis, riding hippity-hops, and doing gymnastics. It was a very fun day.

Thanks to everyone who visited the gymnasium and enjoyed this very special day.
