Kindergarten Students Enjoy Chasing The Cat in the Hat at the Annual Dr. Seuss Fun Run

In between rainy days, the Kindergarten students were able to fit in their annual Dr. Seuss Run on Tuesday, March 4, 2008. Although we were unable to use the track this year due to construction, we held the event in the quadrangle and shared running duties with a buddy. It was great fun as students wore their decorated t-shirts and followed the Cat in the Hat for fifteen minutes.

Thanks to the teachers for organizing the t-shirt decorating, to the parents for cheering on the children, and to Carl Wagner for, again, being our Cat in the Hat.
