

Dr. Seuss Week Starts Off With the Annual “Dr. Seuss Fun Run”

Kindergarten students recently celebrated the birthday of Dr. Seuss with the annual Dr. Seuss Fun Run, held on the Collegiate track on Monday, March 2, 2009. Showing up in their individually decorated Dr. Seuss t-shirts, students followed the Cat in the Hat around the track for fifteen minutes, accumulating as many laps as possible. At the end, students enjoyed popsicles and a participation sticker. What a great way to start this very fun week! Thank you to Mr. Wagner for once again being our Cat in the Hat and to all the parents who helped at this event.

This way and that
The children all chased
