Great Times in the Gymnasium at Early Childhood Dad's Day

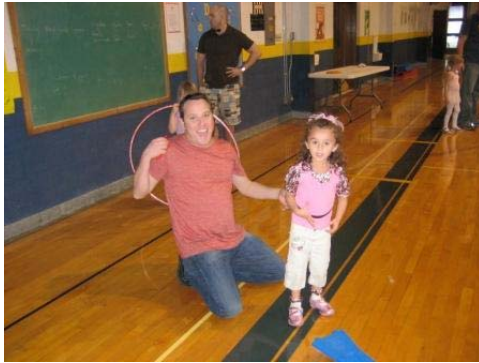

There's no doubt that the gymnasium was the place to be during the Early Childhood Dad's Day celebration, held on Friday, September 19, 2008. Students and their special guests participated in open gym activities, including rope climb, basketball, hula hoop, bowling, scoop ball, tumbling, ribbon wands, hippity hops, ring toss, stomp boards, Frisbee, scooters, bean bag toss, balloons, and ball skills. Students enjoyed sharing these special activities with their Dads and we enjoyed having them! Thanks to all our special guests who made this day so memorable.

Thank you to all the Dads, Grandfathers, Moms, and other special guests who visited the gymnasium for this wonderful annual event. We hope you enjoyed the day!
