

"If We Didn't Have Colors"

A Parachute or Mini-Parachute Routine

from the CD "Monkey Business" by Stephen Fite

Lyrics

Actions

What a world it would be if we didn't have
colors ...If we didn't have
colors...Colors to
brighten up our day...This old world would be

**Part A
Chorus** }

shake PC low 8x fast starting with "be"
shake PC at waist 8x fast
shake PC high 8x fast
twist and shake PC down to waist

dull...If we didn't have
colors...If we didn't have
colors
What could you say...You couldn't say

**Part B
Chorus** }

walk 8 slow cts L holding PC with R hand - put L hand
out airplane style (*modify locomotor skill if desired*)
walk 8 slow cts R holding PC with L hand - put R hand
out airplane style (*modify locomotor skill if desired*)

I'd like an orange
Or maybe a blueberry
"May I have one please?"...You couldn't say
"look at the bluejay, sittin' in the green tree"
no sir-ree

Part C }

Face PC - 4 kicks - 8 cts total
4 knees - 8 cts total
4 kicks - 8 cts total
4 knees - 8 cts total

Chorus

Repeat Part A chorus (shakes)
Repeat Part B chorus (walk and turn)

The Lone Ranger couldn't say his favorite line
"Hi, ho silver away!"
A gold miner wouldn't find gold in his mine
"There's what in them thar hills?"

Repeat Part C

Chorus

**Repeat Part A chorus
Repeat Part B chorus**

You wouldn't have red hair, or brown bears
"Or green bears...green bears?"...What would
Rudolph the red nosed reindeer
Do for a nose
Who really knows

2 jumping jacks raising PC on "red" & "brown"
Full turn with body, let go of PC with 1 hand and regrasp
2 jumping jacks raising PC on "Rudolph" & "reindeer"
Full turn with body, let go of PC with 1 hand and regrasp
Sway slow 4x - 8 fast cts

Chorus

**Repeat Part A chorus
Repeat Part B chorus but only walk 4x R slow**

Orange, Yellow, Green & Blue
All of you know what to do to
Make my day so
Bright with
colors (This word is held until the end)

Jog 8 cts. **Fast**

Jog into middle 4 cts **Fast**
Jog out of middle 4 cts **Fast**
shake 4x low **Fast**
shake 4x at waist level **Fast**
shake & twist 7x down to ground and release PC on ct 8
