

Students Perform at Annual Grandparent's Day Program

Early childhood and Kindergarten students recently enjoyed performing at our annual Grandparent's Day program. Kindergarten students did a special routine to Josh Groban's, "You Raise Me Up." The routine used colorful scarves that were waved and tossed through the air. It was very pretty. Younger students did a silly audience participation routine to "State Laughs," by Tom Chapin. Students enjoyed doing the routine and watching their relatives join in the fun.

Thank you to all the children who did such a wonderful job on their routines and to all the grandparents, parents, and special friends who made the day so special.
