Thank you to everyone who auditioned. There are a limited number of spots and with the large number of students trying out, my decision was a difficult one.

If you were not selected, the fact that you showed an interest and had the courage to try out tells me good things about your character and desire. You should not feel disappointed about not being selected this year because, as with all things, far and away the most important fact is that you tried your best.

I would be happy to talk with you at any mutually convenient time and explain to you in person some things you might try to work on for next year so that when you try out for this or any other group in the future, you can have the best chance of success possible. Be assured there is a place for you in the 7th & 8th grade Chorus class. That is an excellent opportunity for more one-on-one work with me.

Thank you for your support of our programs and keep singing!

Best wishes
Mrs. Powell
